

Curriculum Vitae
Christopher Sullivan, Ph.D., HSPP
Clinical Neuropsychologist
2015

Licensed Health Service Provider in Psychology

State of Indiana: #20041471A

Specialization:

Dr. Sullivan is a licensed Health Service Provider in Psychology in the state of Indiana specializing in Clinical Neuropsychology. In addition to private practice, Dr. Sullivan is the NFL Neuropsychologist Consultant for the Indianapolis Colts. He is trained in both adult and pediatric neuropsychology, specializing in the assessment, diagnosis and treatment of brain-based disorders such as concussion, traumatic brain injury, seizure, dementia, stroke, cognitive/memory deficits, learning disorders and attention deficit disorder. He has consulted with a number of schools on designing and implementing Individual Education Plans for children with brain-based disorders, advised professional athletes on return to play following concussion, conducted Independent Neuropsychological Evaluations and provided expert testimony. Prior to entering full-time private practice in 2003, Dr. Sullivan was an Associate Professor at Butler University where he taught and conducted research for 13 years. Courses taught include Neuropsychology, Abnormal Psychology, Theories of Intervention, Biological Basis of Behavior, Cognitive Psychology, General Psychology and Experimental Methods.

Education

Colorado State University B.A. Philosophy, 1984

Colorado State University M.S. Psychology, 1986

Colorado State University Ph.D. Psychology, 1989
Major: Experimental
Emphasis: Cognitive Neuropsychology

Indiana University-Purdue University at Indianapolis Re-specialization (1994-1997)
Clinical Rehabilitation Psychology

Employment History

April 2013-Present: NFL Neuropsychologist Consultant—Indianapolis Colts

September 1998-Present: Private Practice
Neuropsychology Associates
10293 N. Meridian Street, Suite 210
Indianapolis, IN 46290
317-581-2292

September 1998-2003

Professional Psychological Services
10293 N. Meridian St. #375
Indianapolis, IN 46290
317-581-2288

August 1991-May 2003. Butler University

Title: Associate Professor of Psychology

August 1989 - June 1991. Senior Scientist with EG&G Idaho, Idaho National Engineering Laboratory.

Grant Applications and Funding History

(1995, 1996) An Event-Related Brain Potential Analysis of Attention During a Pitch-Matching Task (Butler Academic Grant: \$3104.00, funded)

(1995) Conference on Teaching Connectionism for 25 Undergraduate Faculty who Teach Psychology (Undergraduate Faculty Enhancement Division of the National Science Foundation: \$114,293.00, not funded)

(1994) Alertness, Preparation and Auditory Selective Attention (Butler Academic Grant: \$2500.00, funded)

(1993) Event Related Brain Potentials and Auditory Selective Attention. Sponsored by the Holcomb Research Institute at Butler University (\$15,125, funded).

Awards

(1993-1995) Butler University Fellow, Holcomb Research Institute Award

Graduate Fellow (1988). Workload and Ergonomics Branch of the Armstrong Aerospace Medical Research Laboratory. Sponsored by the United States Air Force Office of Scientific Research.

Professional Service

Reviewer for Houghton Mifflin: *Human Neuropsychology* by Marie Banich
President, Indiana Psychological Association
Government Advocacy Chair, Indiana Psychological Association

Community Service

Workshop (Full Day)

The Electroencephalogram in Clinical Psychophysiology. Sponsored by the Indiana Biofeedback Society.

In-Services

Behavioral Evidence that Alertness Facilitates and Suppresses Processing: Implications for Theories of Unilateral Neglect. Sponsored by Clinical Neuropsychological Rehabilitation (A service of Community North Hospital).

Assessment and Treatment of Attention Deficits Following Traumatic Brain Injury. Sponsored by Clinical Neuropsychological Rehabilitation (A service of Community North Hospital).

Neuro-Recovery: Perspectives on Recovery of Neurological Functioning after Brain Injury. Sponsored by Clinical Neuropsychological Rehabilitation (A service of Community North Hospital).

Impact of Concussions on the Workplace. Sponsored by Accelerated Rehabilitation Centers (with Terry Horner, MD and Jon Anderson, DPT).
